

Prescription requests use online service

To increase call and processing times we no longer accept prescription requests over the phone. Please use the online service. Airmid offers lots of information that you can browse at in the comfort of your home.

If you require support with ordering we can offer access to a nominated family member who can support you. Please look at proxy access on our website,

or on the airmid app.

Join the choir

Our practice has joined the pathfinder. A service bringing all 5 Bletchley practices together to support patient care. To support patients wellbeing Kat, a professional singing teacher is providing a singing service at Water Eaton Church Centre every Wednesday from 7.15pm-8.45pm. Go along and enjoy a sing song

Your Patient Participation Group

Your patient participation group (PPG) is made up of a group of volunteer patients, the practice manager and one or more of the GPs from the practice. The group covers both the Bedford Street Surgery and Furzton Medical Centre. No medical or patient information is shared or discussed at the meetings.

The changes to the NHS and the focus on patient involvement means that the PPG now has an increasingly proactive role to ensure that patient views are captured and understood by the Practice. The patient participation group meets on a regular basis to discuss the services on offer, and how improvements can be made for the benefit of patients and the practice.

In order to gather a truly representative sample of patients together, we welcome patients from all manner of diverse backgrounds including young people, students, workers, retired people, people with long term conditions, and people from non-British ethnic groups.

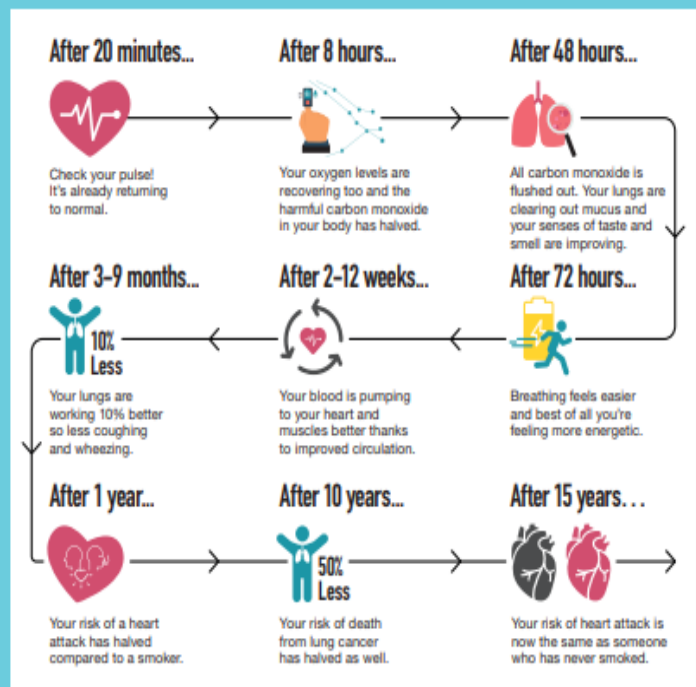

If you are interested in joining the PPG visit the website www.bedfordstreetsurgery.co.uk and click on Practice Information and scroll down to Patient Participation Group to register, or come in to the practice and speak with a member of our reception team.

Want to quit smoking?

What happens when you quit smoking?

It's never too late to quit smoking and many health benefits will happen faster than you think. Here's what can happen after your last cigarette...

It's never too late to stop smoking. With the right support you're up to three times as likely to quit for good.

Online Service

Once you are registered you will be able to use the service to:

- Order repeat prescriptions
- Make an appointment
- Cancel an appointment
- Access Test Results
- View Letters & Referrals
- Check your contact details
- Change you Pharmacy

Received an invite

Received an invite or review due text? Please book this at reception or use our online services.

Prescriptions

All patients can register to use our online services with SystemOnline, where you will be able to request your medication.

When requesting a repeat prescription in practice use the computer print out of the medication and tick the items you require and post in the red letterbox outside of the surgery.

Home Visits

If you do need a home visit, you can help us by calling reception before 11:00.

You may only request a home visit if you are house-bound or are too ill to visit the practice. Our paramedic will liaise with our doctors and will only visit you at home if they think that your medical condition requires it. They will also decide how urgently a visit is needed. Please bear this in mind and be prepared to provide suitable details to enable a schedule house calls
